By Fr John Ayto : Oxford School Dictionary of Word Origins the oxford english dictionary perhaps the most famous english dictionary in the world is the oxford english dictionary oed the dictionary was the dictionary is the worlds leading online source for english definitions synonyms word origins and etymologies audio pronunciations example sentences slang Oxford School Dictionary of Word Origins:

1 of 1 review helpful A definition is incomplete without a derivation By Simon Sez This is a neat toy and quite useful

Knowing the origin of a word adds to the understanding of that word usually. A lot of simpler dictionaries for kids and other learners while having good simple but clear definitions often omit the word's origin. This book along with the Heron Derivations Dictionary bridges the gap quite nicely in giving an engaging insight into the origins of the everyday language we use. It provides additional language support and information through funny and absorbing word histories, feature entries on especially curious words and a full thematic section on words from the worlds of food, fashion, dinosaur names, invented and onomatopoeic words and much more. This is an excellent book. As an educator I cannot stress enough the importance of knowing derivations. It is well known that people give up study if they go past a misunderstood word. Clearing the word enables the person to continue understanding the text a
