recursos que ofrece la biblioteca a Business one:one Advanced: MultiROM included Student Book Pack (Oxford Business English):

0 of 0 review helpful I was glad to see it has the listening manuscripts in the By patmos This book turned out to be more confusing than helpful I was glad to see it has the listening manuscripts in the back even though it also came with the CDRom However it's just too confusing for students to follow along Maybe if they're really truly advanced speakers it would make it a little easier Even as a native speaker With the innovative How to menu students can identify their needs quickly and easily and teachers can build a personalized syllabus that covers exactly what their student wants About the Author Rachel Appleby has taught English for International House and the British Council in Spain Portugal Slovakia and Hungary where she now lives Since 1993 she has focused mostly on teaching English to in company students
