1 of 1 review helpful The Best IGCSE Text Ever By mohamed malik The best IGCSE English as a second language book that I have used As a teacher I find it very useful The skill developing exercises are very well made and the tons of sample student answers in each section is very useful Each and every chapter gets the students ready for the exam

with quite interesting readings and listening activities. Coupled with the Cambridge endorsed syllabus, this comprehensive resource helps you develop crucial English language skills. Plenty of exam style audio material is included on a CD so students can get realistic listening practice. This includes complex skills development like listening for inference, a crucial requirement of the latest syllabus. The course is written by examiners Dean Roberts and Brian Dyer so you can be confident that it's matched to the latest syllabus. The best Cambridge IGCSE English as a Second Language book that I have used. As a teacher I find it very useful. The skill developing exercises are very well made and the tons of sample student answers in each section are very useful. Each and every chapter includes a free download of the student's book and a free download of the teacher's book.
