Phonics: Red Ditty Book 5 Pick it Up:

The Ditties are short phonically decodable passages based on the letter sounds learned in Speed Sounds Set 1. Each book contains three Ditties and seven reading activities including a list of Speed Sounds to practise before reading each Ditty a list of Green words and Red words tricky high frequency words and questions to talk about. The Ditties prepare children to quickly move on to the Storybooks building their vocabulary and ensuring they will be able to decode. Read Write Inc actually teaches children to read and write. We love using this programme because children achieve so much so quickly. They want to read and write. It's the best literacy programme we have ever known. Lorna Jackson Headteacher Maryland Primary
