**From Oxford University Press : Women and Religious Traditions** the 1999 constitution of nigeria 5 prohibits discrimination on the grounds of sex but customary and religious laws continue to restrict womens rights culture of england history people clothing traditions women beliefs food customs family cr ga Women and Religious Traditions:

0 of 0 review helpful Informative but requires outside fact checking and did little to actually speak to gender roles By

K Eoghan Schwope This is required reading for a class I registered for in Religious Studies I already read the book before the semester began and I think that had I discovered the book on my own would have found it interesting As described it is written from a feminist perspective so it mostly kvet Women and Religious Traditions uses a critical feminist lens to explore the roles and interactions of women with major world faith traditions Within each particular tradition the text examines the history and status of women family structures sexuality and social change as well as texts rituals and interpretations by and for women Thirteen experts contribute nine chapters and five case studies including a new case study on women in Chinese trad Excellent cutting edge scholarship compellingly written and made accessible to undergraduates This is a top notch book Michele Murray Bishop s University Extremely readable An excellent introduction to the topic
