**By Allan Metcalf : OK: The Improbable Story of America's Greatest Word** we say it and type it countless times a day but have you ever stopped to think what ok actually stands for quot;okquot; is the all purpose american expression that became an all purpose english expression that became an all purpose expression in dozens of other languages it can OK: The Improbable Story of America's Greatest Word:

0 of 0 review helpful The true story of the origins and spread of OK By Bernd Lambert People have trouble believing that such an important word originated as a lame newspaper joke but Metcalf demonstrates that this was indeed the case He also gives a lot of space to the many competing theories that happen to be false The word begins with a Boston editor's attempt at humor acquires political significance becomes indispe It is said to be the most frequently spoken or typed word on the planet more common than an infant's first word ma or the ever present beverage Coke It was even the first word spoken on the moon It is OK the most ubiquitous and invisible of American expressions one used countless times every day Yet few of us know the hidden history of OK how it was coined what it stood for and the amazing extent of its influence Allan Metcalf Metcalf has produced a complete and completely entertaining history of the most American of all expressions More than just OK revelatory and engrossing Erin McKean CEO of wordnik.com author of Weird and Wonderful Words More Weird and
