0 of 0 review helpful Five Stars By KDOR very good condition 0 of 0 review helpful I recommend this grammar book By Laura G This grammar book explains use of verb tenses more thoroughly than other books I've seen. It's also well balanced in the grammar exercises giving the student opportunities to read, write, listen and speak English. 0 of 0 review helpful With a fresh new design and a host of updated exercises and activities the popular Focus on Grammar series is more practical and accessible than ever. Known for its focus on English grammar through contextualized listening, speaking, reading and writing activities this lively integrated skills course helps students bridge the gap between comprehending grammatical structures and actually using them. From the Back Cover With a fresh new design and a host of updated exercises and activities the popular Focus on Grammar series is more practical and accessible than ever.
