0 of 0 review helpful The book is good for beginners ESL students but the seller wanted to make a buck h By Customer The book is a good book to use for beginning ESL students The one I bought was a used cool buy I would not consider this book to be acceptable It is written in scratched up and hard to even read I'm disappointed in this

version I received The seller misrepresented this book I can't use this for any The second edition of this worktext presents basic structures and vocabulary in a step by step building process It provides various oral exercises to develop speaking and listening skills and vocabulary
