By Martha J. Kolln, Robert Funk : Exercise Book for Understanding English Grammar use this english grammar exercise page to boost your grammar knowledge and learn how to diagramming sentences its fun online demo of grammar slammer answers for all your english grammar questions online Exercise Book for Understanding English Grammar:

0 of 0 review helpful Great textbook By Betsy I got this book for a Linguistics class on English Grammar It is well organized accessible and the examples aren't completely dry Plus there are exercises for practice in each chapter with answers to check yourself in the back My professor is a little disorganized in her lecture style but this book tells me everything I need to know in a straightforward manner so I can go This market leading text for grammar courses is a comprehensive description of sentence structure that encourages students to recognize and use their innate language

expertise as they study the systematic nature of sentence grammar. A practical blend of the most useful elements of both traditional and new linguistic grammar the text emphasizes whole structures most specifica. From the Back Cover This market leading book provides a systemic way to understand grammar based upon the instinct found in speaking. With schools still teaching grammar the authors encourage the readers of this book to consider themselves grammar experts.
