**By David Crystal : A Little Book of Language** little women is a novel by american author louisa may alcott 1832

1888 which was originally published in two volumes in 1868 and 1869 alcott wrote the books from the author of the quot;wonderfully ingeniousquot; marilyn stasio the new york times book review novel after the crash a thrilling tale of a murder that takes place A Little Book of Language:

8 of 8 review helpful Delightful This should be on every student s must read list By Gregory J Casteel I absolutely loved this book and read it over the course of just two evenings I wasn t planning on doing that my original plan was to read the book over the course of a week or two but once I started reading it I simply couldn t put it down I dropped everything else I was planning to do and devoured this With a language disappearing every two weeks and neologisms springing up almost daily an understanding of the origins and currency of language has never seemed more relevant In this charming volume a narrative history written explicitly for a young audience expert linguist David Crystal proves why the story of language deserves retelling From the first words of an infant to the peculiar modern dialect of text messaging A Little Book of Language ran From Publishers Weekly Starred In the mode of Yale s successful publication of E H Gombrich s A Little History of the World one of the world s leading linguists introduces us to our most critical mode of communication Crystal The Story of Englis
