Cetera: Notes of a Word-Watcher:

2 of 2 review helpful Brilliant By G Anderson Lewis Thomas was a writer of keen sensitivity who loved the meaning
and origin of words As a physician he brought an observational prowess to his writing as a teacher he makes learning
enjoyable as a writer he has wisdom and a wonderful voice 0 of 0 review helpful Five Stars By Lady in Red If you
love language this is This is a book about simple but important words and how they shed light on the way the human
mind works The author winner of the National Book Award examines the origin of words the development of
language and tells us how language preserves us binds us and makes us a social species From Publishers Weekly
These short essays by the author of Lives of a Cell reflect Thomas s fascination with the origins of words and their
historical percolation By tracing certain words in common use millennia ago wopsa for instance from say an Indo Eu
