1 of 1 review helpful Useful Text for College Level Writing By Diana This text helps college students know the rules of grammar so that when their professor writes AWK on their paper they know what that means It also contains useful suggestions for preventing grammatical errors before they meet the eyes of the professor 1 of 3 review helpful Learn

and Understand Grammar B Grammar in Many Voices teaches modern English grammar as a discipline in itself focusing on wonderfully diverse examples of English prose without any appeal to error correction. It limits discussion to the syntax of the language yet it is not wedded to any particular theory taking its insights from a number of schools of thought. The book offers real passages from accomplished writers resulting in more interesting and colorful exercises having value in themselves.
