Latin and Greek Origins:

7 of 7 review helpful Real Title Leek Words Latin or Greek With No Differentiation By Willy Billy Interesting discussions of words but how really scholarly can it be if no entry contains the information This is a Latin root This is a Greek root They apparently don t feel it s important which is which just that it s a root How hard would it have been to just include the abbreviations Gk or Lat with each This unique reference equips students with vocabulary skills that will last a lifetime Students study Latin and Greek roots and learn the huge number of English words that derive from them The impressive number of entries and explanations presented in a light and non threatening manner will give students the vocabulary boost they need About the Author McGraw Hill authors represent the leading experts in their fields and are dedicated to improving the lives careers and interests of readers worldwide
