By Wendell Berry : Standing by Words stand stand v stood stood standing stands vintr 1 a to rise to an upright position on the feet b to assume or maintain an upright position as a lakota man locks himself to construction equipment in protest date april 2016 february 2017 location united states especially north dakota the standing Standing by Words:

7 of 7 review helpful Wonderful book poorly scanned By Dr Bill Wendell Berry s prose is more musical than much poetry and this meditation on commitment to a poetic form a patch of ground or a marriage is well worth reading Kindle did a poor job scanning the text In addition to mangling the cover they introduced at least one glaring misspelling every three pages Fortunately Berry is clear enough to The Chinese character on the cover of this volume depicts a man besides the sign for word It is the written form of xin which Ezra Pound defined as Fidelity to the given word The man here is standing by his word Such fidelity to the word as evidenced by clarity of meaning and intent would go far to reconnect language to life Without a renewed sense of language we cannot hope to restore balance harmony and coherence to our lives our land and our communit This skillfully conceived book is one of the strongest contemporary arguments for literary tradition a challenging credo un glib calmly assured clearly illuminating and

required reading for those seriously interested in the interplay between literature
