By Michael West : Transcendental Wordplay: America's Romantic Punsters and the Search for the Language of Nature

Transcendental Wordplay: America's Romantic Punsters and the Search for the Language of Nature:

19 of 21 review helpful Punning in the 19th century what it's all about By Brian Claxton This book is wondrous For openers it is written so well that it is a marvel of English usage and will shame most of us that think we know the language Secondly it strikes a marvelous balance between pedagogy for fundamentally this is a serious scholastic work and the delight that the author takes in his subject Dea Throughout the first half of the nineteenth century America was captivated by a muddled notion of ldquo etymology rdquo New England Transcendentalism was only one outcropping of a nationwide movement in which schoolmasters across small town America taught students the roots of words in ways that dramatized religious issues and sparked wordplay Shaped by this ferment our major romantic authors shared the sensibility that Friedrich Schlegel linked to punn From Library Journal Nineteenth century Americans were fascinated by the meanings and origins of words and also loved a good joke In this impressive work of scholarship West English Univ of Pittsburgh explores the intense interest in etymology and verbal j
