**From Brand: H. W. Wilson : The Barnhart Dictionary of Etymology** taxi n 1907 shortening of taximeter cab introduced in london in march 1907 from taximeter quot;automatic meter to record the distance and farequot; 1898 from french dictionaries online etymological dictionary this is the best online etymological dictionary of english as of february 2006 written by douglas harper The Barnhart Dictionary of Etymology:

7 of 7 review helpful Indispensable for word lovers accept no substitute By DT If you are the type of person who reads with a dictionary within reach you will find this resource indispensable There is nothing like it other than the OED and this is much more user friendly I am glad to see it has been republished by a different publisher as I have complained about the very disappointing abridged version of this work p This book is a unique scholarly achievement authoritative original scholarship designed to be a useful reference source for the general reader as well as for an important etymological resource for the expert With over 3 000 entries the Dictionary covers over 25 000 root or basic English words detailing the derivation of each in clearly written passages that interweave thousands of linguistic and historical facts to explain where words originate how their forms have
