By Christine Coombe, Peter Davidson, Barry O'Sullivan, Stephen Stoynoff : The Cambridge Guide to Second Language Assessment cambridge igcse english as a second language is designed for learners who already have a working knowledge of the language and who want to consolidate their free ielts international english language testing system test preparation including official support materials and tips for your exam day The Cambridge Guide to Second Language Assessment:

0 of 0 review helpful Five Stars By Customer Nice course book 1 of 2 review helpful Fell apart By Elinor This

textbook was required for a course I'm taking and before the semester was halfway over the front matter of the book fell out and since then other sections have come loose I don't even have to take the book back and forth to class it's an online course. This collection of original articles provides language teachers with a theoretical background of key issues associated with language testing as well as practical advice on how to improve the effectiveness of the tests they develop and implement. Written by internationally prominent researchers and educators the chapters are organized into five sections: key issues in the field, assessment purposes and approaches, assessment of second language skills, technology in assessment.
