0 of 0 review helpful Excellent Series By Catherine I teach ESOL and have used the face2face series with great success with students who have had university or graduate school educations It is the most academically oriented textbook I've seen in its approach with photographs rather than cartoons exercises that encourage students to figure out rules for themselves based on examples etc Cambridge University face2face Second edition is the flexible easy to

teach 6 level course A1 to C1 for busy teachers who want to get their adult and young adult learners to communicate with confidence face2face Second edition is informed by Cambridge English Corpus and the English Vocabulary Profile meaning students learn the language they really need at each CEFR level The Advanced Workbook with Key is ideal for self study offering additional consolidation activities and a Read
