4 of 4 review helpful Great study book By S C Got this book recently to work with a student who wants to take the IELTS It has a good selection of exercises and uses realistic questions similar to those found on the test While I definitely recommend the book don't buy it from SuperBookDeals they took their sweet freaking time sending it and marked it as shipped a full week before they mailed it I didn't receive Cambridge IELTS 9 contains four authentic IELTS past papers from Cambridge ESOL providing excellent exam practice The Student's Book with answers allows students to familiarise themselves with IELTS and to practise examination techniques using authentic test material It contains four complete tests for Academic candidates plus extra Reading and Writing modules for General Training candidates An introduction to these different modules is included in each book together
