**By Victoria Fromkin, Robert Rodman, Nina Hyams : An Introduction to Language** luo introduction location language folklore religion major holidays rites of passage japan to mali find out more about the history of the pilgrims including videos interesting articles pictures historical features and more get all the facts on history An Introduction to Language:

14 of 15 review helpful Gives lots of information but sometimes not enough By Spacecrazed This book is great that it gives you lots of information But for people like me who have not focused on grammar in a long time it is EXTREMELY hard to read and get through And I am reading this book for the second linguistics class I have taken

They assume that you know a lot of linguistics and grammar terminology which is Assuming no prior knowledge of linguistics AN INTRODUCTION TO LANGUAGE Tenth Edition is appropriate for a variety of fields including education languages psychology cognitive science anthropology English and teaching English as a Second Language TESL at both the undergraduate and graduate levels This completely updated edition retains the clear descriptions humor and seamless pedagogy that have made the book a perennial best seller while adding new infor About the Author Victoria Fromkin received her bachelor s degree in economics from the University of California Berkeley and her M A and Ph D in linguistics from the University of California Los Angeles UCLA She was a faculty member of the UCLA Department
