1 of 1 review helpful the original edition was good therefore By Breeze Jones Alicia Very little difference with the

previous edition It just takes the changes in the new exam into account Had expected some new reading passages listening use of English exercises etc for this price not a rehash Anyhow the original edition was good therefore so is this one Exam Essentials is our major British English exam preparation series combining exam preparation practice and tips for the revised Cambridge English exams This effective combination of testing and teaching has proved a popular formula with teachers and students The first two practice tests in each book are walk through tests Students are carefully guided through the tests and shown how they work and what they have to do to succeed in each part of the exam Addition About the Author Helen Chilton has worked in ELT since 1997 During this time she has taught English in private language schools and in further and higher education She has worked in English language assessment for a number of years producing tests and practi
