social workers eye on ethics keeping social justice in social work by frederic g reamer phd social work today march/april 2006  
deborah is a clinical social Human Rights and Social Justice: Social Action and Service for the Helping and Health Professions:

Human Rights and Social Justice Social Action and Service for the Helping and Health Professions has a unique perspective that views human rights as the bedrock of social justice. It provides a clear blueprint how human rights and social justice concerns can serve as a conceptual framework for policy and practice interventions among the helping and health professions.
