3 of 3 review helpful One of my favorite educational books By Deandra Scott This is one of my favorite books I finally bought it after repeatedly renewing it from my library The strategies are easy to implement across several of

grade levels I have used this with special education and regular education students as young as second grade and up to seventh grade. There are a variety of strategies that can be adapted to meet Finally, in highly effective field tested lesson plans for the students in every elementary and middle school classroom who struggle with writing. The practical how to follow up to Graham and Harris's popular Writing Better this book is just what K-8 educators need to advance all students' writing skills whether they have learning disabilities or just need extra help. Teachers will get concise lesson plans they can use to easily supplement the A powerful evidence based approach to instruction. The clear and complete lessons plans included in this volume will help teachers enhance their ability to provide effective instruction to students at all levels.
