Cool! Whoa! Ah and Oh!: What Is an Interjection? (Words Are Categorical (Hardcover)):

1 of 1 review helpful AWESOME HOMESCHOOL BOOKS By NaturallyMama We love all the Brian Cleary books for our homeschool library but they are good for any child whether homeschooled or not They are simple and fun to

read and help to really enforce these concepts and make them easy to understand and comprehend. My kids adore them. I wish they would sell them in sets as you have to hunt down all the different ones. What is an interjection? Oh my! You'll find the answer inside this book. It's packed with interjections. Dear me! Brian P. Cleary's playful rhymes and Brian Gable's humorous illustrations creatively clarify the concept of interjections for young readers. Indeed, Interjections appear in color for easy identification and comical cats reinforce each idea. Wow! Cool! Whoa! Ah and Oh! What Is an Interjection? turns traditional grammar lessons on end. Read this book aloud. From Booklist: This colorful entry in the Words Are CATegorical series defines an interjection as a word or phrase spoken suddenly and used to show emotion, then demonstrates its uses in a rhyming, rhythmic text.
