By Lilia Savova : Using Textbooks Effectively (Tesol Classroom Practice) learning to teach english is a lot like learning to drive a car sure you can read all the theory you like but it doesnt mean much until you put it into practice graduate programs the english department offers a variety of masters level degree programs and non degree programs for graduate students at sac state Using Textbooks Effectively (Tesol Classroom Practice):

Classroom Practice Series asks one fundamental question How can teachers teach the students not the book The response given within Using Textbooks Effectively is to move beyond the textbook as a separate entity and view it instead as part of the ESOL curriculum process and as a tool for student learning The chapters illustrate textbook use as a dynamic component of the ESOL classroom ecosystem consisting of the classroom the world outside the classroom and the
