By Mayer Schachter-Haham : Compound of Hebrew in Thousand Stem Words: Etymological Dictionary (Hebrew and English Edition) derived definition to receive or obtain from a source or origin usually followed by from see more because of germanys geographic position in the centre of europe as well as its long history as a non united region of distinct tribes and states there are many Compound of Hebrew in Thousand Stem Words: Etymological Dictionary (Hebrew and English Edition):

2 of 2 review helpful Excellent explaination on Hebrew Grammar Exceptional value By Louise Ann Musgrave This book no longer is being printed One of the best books I have used that explains how the Hebrew grammar is being broken down In fact at the time when this book was written 60s beautiful Hebrew was being spoken on her streets Like most countries today many words are being replaced by other languages I hig The object of this work containing more than 1 000 stems radical words is to give the student the consulter and the plain reader the possibility to acquire almost the whole treasure of Hebrew terms and locutions used in conversation press and literature by contemplating in a visual synopsis all the derivations of each radical word which is a trilateral stem This visual synopsis enables him

also to conserve these derivations in his memory by force of mnemotechn
