By Remi Simeon : Diccionario de la lengua nahuatl o mexicana (Spanish Edition) Diccionario de la lengua nahuatl o mexicana (Spanish Edition):

5 of 5 review helpful Of immense value if you can get it By bukhtan I have in front of me this Spanish translation of Simeon s French original from 1885 the translation was first published in 1977 mine is the 6th edition from 1988 Siglo Veintiuno from Mexico City Let me quote an entry from this book and then the corresponding entry from Ms Frances

Karttunen's Analytical Dictionary of Nahuatl Austin U o Redactado segun documentos y manuscritos autenticos y publicados en frances en 1885 constituye la fuente mas autorizada para el conocimiento de la antigua lengua mexicana. Ademas de recoger integro el vocabulario de Molina incluye los terminos en los cuales la cultura nahuatl ha perdurado: nombres de dioses, de heroes, de gobernantes, de artes y oficios, de corporaciones que van revelando una textura mental y social homogenea, toponimicos, nombres de plantas, de anim.
